## **Special Event** **Learning Journey Thursday 16<sup>th</sup> August**

**Kindy and Pre-Primary: 4.00pm – 6.00pm**  
**Years 1 to 6: 5.00pm – 6.30pm**  
**Junior and Senior Choir Performance: 6.30pm – 6.45pm**

The Learning Journey evening is a big ticket event in our school calendar. Our teaching and support staff put in a big effort to share a small glimpse of what happens in the classrooms on a day to day basis. Along with visiting classrooms there are other events of interest around the school during the evening that you are welcome to attend. ***A major influence on student achievement and engagement in school is the level of interest and engagement in their learning shown from parents and caregivers. This evening is a great opportunity to ask questions and have discussions with your child about their learning in the class and what they enjoy.***

While this may be a great time to ask your child's classroom teacher a question or two, formal parent interviews will not be able to be conducted due to the volume of parents and students moving through the school. If you feel a parent/teacher interview is required, contact your child's teacher to book a suitable time.

For the safety of all of our students, please ensure you are supervising your children throughout the evening.
