## Principal's Word

### Safety Bay Families,

Another Term is coming to an end and there is plenty to celebrate. Teachers have put together the Semester One reports that will be available via connect next week. Please take time to go through these with your child(ren), focusing on what they have been able to achieve so far this year.

Our Sound Garden has arisen out of the ground since last weekend with the finishing touches happening over the next two weeks. I've enjoyed helping out in the installation and would like to thank the many volunteers who have donated their time and skills to make it all happen.

Many of our year 5 and 6 students represented our school with pride at today's Winter Carnival. As always it was great to hear of the sportsmanship and attitude displayed by our students win, lose or draw. The Girl's Football team proudly wore their new uniforms that were kindly donated by the P & C. Thanks to Mrs Mosely for putting the design together with the input of our students.

Next week is the last week of term and students return on Monday 16<sup>th</sup> July with our term 3 School Development Day being held on Monday 30<sup>th</sup> July.

Have a great weekend.

Phil Springett  
Principal

## As It Happens, When It Happens!

### GET THE SCOOP

We're listening and eager to keep you 'in the know'. Our fortnightly news will take on a new shape from term 3.

Look forward to hearing the 'scoop' as it happens, when it happens. The fortnightly news will be replaced with 'short burst' communications that are timely and relevant. In addition, we'll be producing a once per term Newsletter.

We appreciate your support and welcome your feedback as we trial this change in format.

## Letters from C17

Recently C17 have been working hard writing thank you letters to show their appreciation to the P&C and Mr Springett for the Obstacle Challenge that was held on Wednesday 30<sup>th</sup> July. Here are a few samples of their work....

## KidsMatter

### Safety Bay Sound Garden

After much anticipation the sound garden has arrived at Safety Bay Primary School. As you may have seen, it makes the entrance between Challenger and Peron block look amazing.

Mark Cain (Artist) and Sally Queally (Music Specialist Teacher) have worked tirelessly on this project. Mark doing all the planning, designing and making, Sally project managing, which meant she worked well beyond her school hours.

There have been a countless number of volunteers working on this project, so many it would take two pages to list them all. This list contains so many people who have worked with Peter Farmer (Artist), attended meetings, worked alongside Mark at Naragebup Environment Centre and many other aspects of the garden. We thank everyone for your support and seeing the kids faces while they play with the speaking and listening cones.

Over the past two weekends we have had numerous people assisting with preparation and installation of the garden. We would like to thank them for giving up their Saturdays to support. Staff members: Phil Springett, Lynne Cooke, David McLaren, Charmaine Ruffles, Sue McCulloch, Sally Queally and Leanne Allen. Community members: Mark Cain, Simon Downs, Greg Allen, Jerry Andersen, Wouter and Liz Vervae, Elleke and Leigh Bosworth, Rick Goulter and Michael Vaz. I do apologise if I have missed someone.

During the week, Mark along with the support of Simon Downs and Roger Millichamp have assembled the final pieces. We would like to extend a special thanks to Simon Downs, he has been tireless in devotion to this project and gone above and beyond supporting Mark. This has been greatly appreciated by Mark.

Final touches will occur next week with an official opening event for our Safety Bay Sound Garden to be publicised in the near future.
