Welcome to Safety Bay Primary School.

Since first opening our doors at the Safety Bay Yacht Club in 1942, Safety Bay Primary School has enjoyed a long and successful partnership with the local community. This strong sense of community has been engendered through the attendance of successive generations of family members at our school. Our reputation for being a friendly, family-oriented school continues to this day.

The school caters for approximately 700 children from Kindergarten through to Year 6. At Safety Bay Primary School we provide a caring, safe and inclusive learning environment. Our staff are committed to providing flexible educational programs in order to meet the diverse needs of our students. Specialist programs are provided in Physical Education, Information Technology, Visual Arts, Music and Indonesian. In addition to these, we also operate an Education Support Class.

Our P&C has a history of providing outstanding support to the school and I encourage parents/caregivers to become involved. There is also the opportunity for parents to contribute to school policy and direction through our School Council. In addition to this, parent help in classrooms and at various school activities is greatly appreciated.

Thank you for choosing Safety Bay Primary School. I am sure your child/ren will benefit from the excellent learning opportunities we provide. If you have any concerns or queries at any time, please do not hesitate to contact your child/ren’s teacher or administration to arrange an interview.

Kindest Regards

Wayne McKay

**Information for Parents/Caregivers**

**ABSENCES**
The School Education Act 1999 requires children of compulsory school age to attend school. When a child is unable to attend, legislation requires that parents/caregivers forward written notification providing a reasonable cause for the absence of their child. Please note that a telephone message beforehand is encouraged.

As part of Safety Bay Primary School’s ongoing commitment to develop effective communication between the school, parents and caregivers, SMS messaging commenced in 2013.

The primary purpose of SMS Communication is absence notification to and from parents/caregivers.

Some of the benefits include:
- Knowing your child is safe at school
- Convenient and private - get notification even in a meeting
- Increased attendance may improve your child’s grades and chance for success.

This system will allow us to contact you by SMS if your child is absent from school or, for example, the swimming carnival has been cancelled. You may also advise the school via SMS if your child is absent.

To avoid missed SMS messages it is important that we have your current mobile phone number. If you are unsure if we have your correct mobile number, please send an SMS message stating your name and child’s name and room number to 0437 418 753.

Please note that this mobile number is for SMS messages only. Please also advise if more than one caregiver needs to receive the information.

When notification is not received within three days of the original day’s absence, the class teacher may send a letter requesting an explanation.

**APP**
The school has implemented a phone app called Updat-ed that will make connecting with you so much more convenient.

To download the app just visit the App Store for iPhones or Google Play for Android’s. Search for Updat-ed and from the menu select our school. We’ll receive your registration request and will need to approve you before your app is up and running.

**ARRIVAL AT SCHOOL**
We encourage students to arrive at school after 8.30am. If students arrive prior to 8.30am they are supervised in a central location.

Arrivals after 9.00am will require a late note from the office.

**ASSEMBLIES**
Assemblies are held in the undercover area. Dates are advertised in the newsletter and on our website. All classes have the opportunity to take part in the organisation of assemblies.

**Assemblies are held on Fridays at 9.00am. Parents and community members are always welcome.**

**BEHAVIOUR MANAGEMENT**
The Safety Bay Primary School community is committed to promoting the common good and meeting individual needs, whilst recognising the rights of others in a safe, caring and positive school environment. In consultation with the community, the school has developed a policy based upon the recognition of the dignity and worth of all individuals.

Please see the link below for our Behaviour Management Policy found on the school website.

**BICYCLES**
Students are encouraged to ride their bikes to school. In the interests of safety we have rules for them to follow:
- Bicycles are not to be ridden on the school grounds.
- Cyclists must wear suitable safety helmets.
- Bicycles must be kept in the racks provided.
- Students must walk their bikes across the road at manned crossings.
- Bicycles should be fully equipped with bell, brakes, reflectors etc and be in good order.
- For easy identification, the engraving of a parent’s drivers licence number on the frame is advised by the Police Department.
BOOK CLUB
This school subscribes to the Scholastic Book Club. Each month, an order form will be sent home with the children.
- Arrow Years 1–2
- Lucky Years 3–5
- Star Years 6
Selections are to be made using the order form, and returned to school only on the “due by” date, with the correct money or cheque. (Cheques are to be made payable to Scholastic). Books usually take 2-3 weeks to arrive. A parent volunteer coordinates this program.

CODE OF CONDUCT
Parent conduct and behaviour has a very influential effect on the wellbeing and learning of our children. An engaged community who share and support our school beliefs and values and who support our endeavours, is critical to help build and maintain an effective school. Appropriate conduct on school grounds by everyone is central to ensuring we achieve this goal. Our staff and students work to a Code of Conduct and this document is intended to provide similar guidelines for parents. Further details are provided on our school website www.safetybayps.wa.edu.au

COLLECTION OF STUDENTS

During School Hours
In certain circumstances, such as illness, dental appointments, etc, it may be necessary to collect children from school during school hours. Parents are required to complete a Student Release Form at the front office before picking up child/ren from their classroom/s. This is a necessary legal requirement for reasons of safety and duty of care.

After School Hours
At times, parents can be unavoidably late to collect their children from school. In such instances, please ring the office to let us know so that we can inform them and ease the children’s anxiety. If any students are not collected within a reasonable time at the end the school day, they will be taken to the office and left in the care of a member of administration.

COMMUNICATING WITH THE SCHOOL
Our school acknowledges the concerns of parents and welcomes any questions you have. We are committed to responding promptly to your enquiries. When you do have issues or concerns regarding the school it is vital that you seek resolution as early as possible to avoid stress and anxiety. In the first instance please contact the classroom teacher or other relevant staff members to discuss your concerns. The best way to do this is to arrange an appointment with the relevant person so an appropriate amount of time can be devoted to resolve the problem effectively. Please note that it is inappropriate for parents/caregivers to deal directly with other students or their caregivers as this can lead to unnecessary conflict.

CUSTOM OF CHILDREN
Please provide court orders to the front office at time of enrolment. If in the future there are any changes to the orders it is vital that you inform the office.

DEFENCE SCHOOL TRANSITION AIDE
The Purpose of the Defence School Transition Aide Program is to facilitate the best possible educational outcomes for Children of Australian Defence Force (ADF) members through on-site, direct and flexible assistance to children, parents, teachers and other support services.

Defence School Transition Aide Program provides support to children of Australian Defence Force (ADF) members and their families, particularly during their transition into and out of a school on posting or during parental absences due to deployment, exercises or courses.

The benefit of the program includes facilitating a supportive educational environment for ADF families during times of change; providing, a communication link between the family, the school and the Australian Defence Force; Providing, information about and referral to other educational or DCO services and programs.

If you seek assistance from the school’s defence school transition aide please make contact through your child’s teacher or the school office. All information will be treated with confidentiality.

DENTAL THERAPY UNIT
Safety Bay Primary School has an onsite Dental Therapy Unit. Standard Department of Education processes apply, giving students access. The Dental Therapy Unit is open
Monday to Friday and may be contacted on 9527 6767.

**DOGS ON THE SCHOOL PREMISES**

In the interest of student health and safety, dogs either unrestrained or on a leash **should not** be brought onto the school grounds. Where dogs consistently create a menace the problem is referred to the Council Ranger.

**ENROLLING / LEAVING**

Parents are required to complete an enrolment form and other related documentation for our computer records. Office staff must sight a Birth Certificate, or Birth Extract. A copy of Immunisation Records must be provided when enrolling a new student. Up-to-date address and emergency contact details are essential enrolment information. Should any information need altering, please notify the office immediately. This information is sometimes needed in an emergency situation. New students should report to the office on their first day. Parents are requested to notify the school at least one week prior to departure so that transfer documents can be prepared.

**LEAVING STUDENTS**

When children are about to leave our school and transfer to another school, parents are asked to contact us at least a week or more beforehand. This will provide adequate time to enable the staff to ensure that all records, books, medical cards, reports etc have been completed or checked prior to the child’s departure. It also allows us to farewell our students and wish them all the best for their new school.

**EXCURSIONS**

Children will have the opportunity to participate in excursions from time to time. These excursions reinforce learning done in class. Educational excursions are fabulous learning opportunities and every student is encouraged to attend. The school publishes a costing document each year which provides details for the maximum expenditure that each year level will incur. A time payment plan to help manage these additional charges is available by contacting the school. Various options are available ranging from regular cash / cheque or credit card deductions and direct debit. Please contact Diana Tindale, the Manager Corporate Services for further information.

**FACTIONS**

The students at this school are grouped into four factions, *Blue, Red, Green and Gold*. In Term 3 each year a Junior and Senior Faction Athletics Carnival is held.

**FEES, CONTRIBUTIONS & CHARGES**

Voluntary contributions are reviewed by School Council each year and made available to parents/caregivers prior to the end of each school year to help with financial planning for the following year.

Financial support provided by parents has always played a significant part in enabling the provision of resources that extend the school’s capacity to add value to the education of students. Your continued support is important and highly valued.

Parents/caregivers have the opportunity to pay charges for excursions and in-school activities upfront at the beginning of the year. This is intended to make it convenient for parents and streamline administrative procedures.

Your child will continue to receive notes home seeking permission to attend, as and when these activities are scheduled throughout the school year. The school will allocate the monies to your child’s account as activities arise.

Payments for Voluntary Contributions, Interschool transport, swimming lessons, camps and graduation are in addition to the Charges/ Excursions/ In-School Activities charge of $50 for Kindy to Year 6.

If there is credit remaining at the end of the school year on your child’s account you will be issued with a statement showing the credit amount which will roll into the following year. *Refunds will only be issued by EFT if your child leaves Safety Bay Primary School.*

A payment plan may be organised for families by contacting the Manager Corporate Services, Mrs Diana Tindale. The school also has EFTPOS facilities available at the administration office and arrangements may be made via direct debit (see ‘*Monies Sent or Brought to School*’) to assist parents with payments.

**FUNDRAISING**

We have a very active fundraising committee and various activities are organised by the P&C to raise funds for the purchase of additional resources, teaching aids etc. Your cooperation, participation and assistance is welcome.
HAIR
For health and safety reasons, all students are encouraged to tie hair back if it is shoulder length or longer.

HATS
During terms 1, 2, 3 and 4 all students are to wear blue school hats whilst out in the sun. Students will only be allowed to play in the sun if wearing hats and those students without a hat will be kept in the shade. This includes before school, recess, lunch, Phys Ed, outside class activities etc. Students are encouraged to wear wide brimmed school hats for extra protection from the sun. Hats are available for purchase from the Uniform Shop or school office.

HELMETS
Students travelling to school on bicycles, scooters or skateboards legally must wear helmets.

HOMEWORK
Students should be encouraged to complete homework activities. This can include home reading, completion of unfinished work or separate homework activities. Homework develops organisational skills in students, provides additional practice when needed and enables parents to share with their child’s learning experiences. The school has a homework policy, available on our school website, which outlines the expectations for each phase of schooling.

ILLNESS AND FIRST AID
In the event of a child being sick, school staff will make every effort to contact a parent. All parents are asked to ensure that the school has an up to date contact phone number, address and emergency contact details, so contact can be made without delay.

Staff expertise and regulations limits provision of assistance to students beyond basic first aid. The general procedure is to assist a child to become comfortable, treat the injury and where possible return to class. Following the practice of erring on the side of caution, if the injury is deemed to be beyond minor first aid, parents’ emergency contacts will be contacted. It is important that parents ensure that EMERGENCY CONTACT NUMBERS are kept up to date and that they have someone available to collect their child from school.

Following information provided by the school and observation of the child, decisions on medical treatment for the child is left with the parent. In extreme situations, it may be necessary to access emergency services to provide immediate treatment to a child.

- teaching children skills for good social and emotional development

KidsMatter was developed by mental health professionals and education and childcare staff in response to the high rates of school-age children with mental health difficulties and the problems they face getting help. The Department of Education, excursion venues/operators and transport providers have public liability insurances that cover their liability where it is legally proven that accidents/injuries have been caused through defects in property, equipment or playgrounds, or through negligence on the part of an employee of the Department or the private provider.

Specific personal accident and injury insurance for students whilst at school or on an excursion, camp, visits, etc. is not provided. School children’s accident insurance cover, the premium which is paid by the parent, is available from a range of insurance providers.

Insurance is not available to replace the loss or damage to personal property belonging to parents or students.

• A clean set of clothes to change into if necessary.

For reasons of safety and care, it is essential that siblings do not play on the equipment while kindy children are being dropped off or collected. We also ask parents to stay with their children until the doors are opened and staff assume responsibility.

Kindergarten children are encouraged to wear school uniform. This can be ordered from the uniform shop.

LABELLING
All books, school belongings, clothes, school bag and other items should be clearly labelled. This includes sports clothing, towels and hats.

LIBRARY
The school has an automated central library/resource centre. Parents and Caregivers are asked to ensure that books are returned on time and in good condition. If a student loses a book they can continue to borrow. The following steps will be followed:

1. Overdue book list is sent to the Manager Corporate Services and the classroom teacher.
2. The classroom teacher will regularly remind students about returning overdue books as listed on the overdue list.
3. After two weeks, a courtesy phone call will be made by front office staff to the parents/caregiver.
4. Two weeks following the phone call a polite generic letter will be sent to parents/caregivers to advise them of an overdue book.
5. If the book has still not been found a judgement about payment will be made depending upon the family’s situation. This decision will be made in collaboration with the School Library Officer, Classroom Teacher, Manager Corporate Services and Principal. The maximum charge for a lost book will be $15.
6. The final decision will be made by the Principal.
7. A book amnesty applies in the last two weeks of each term. This is a time when students can return overdue library books with no questions asked. The books can be returned to the front office or library.

• If books are not returned, the student may continue to borrow, however the book must stay in the classroom. The following semester the student may begin to borrow again as normal.

MEDICATION
Medication (eg antibiotics, analgesics) is not to be kept in students’ school bags. Prescribed medication must be brought to the front office where a medical form must be completed by parents or caregivers. This is in line with Department of Education policy. Medical forms are available at the front office upon request.

MOBILE PHONES

However, where parents insist that their child does need to have a mobile phone it must be switched off and kept in their school bag or collected by the teacher. Mobile phones are not permitted to be used during school hours under any circumstances.

Parents needing to make emergency contact with their children during school hours will be required to do so through the front office. The school nor the Department of Education will accept any responsibility if mobile phones are lost, damaged or stolen.

If students need to be picked up from school during the day, parents and caregivers must sign them out by filling in an authorisation form in the school office.

PERSONAL ITEMS LIST
A personal items list (Book List) is distributed toward the end of each year for the following year. Children are highly recommended to have all items on the list. Pre-ordering these items through the process organised by the school ensures your children have everything they require at the start of the school year.

PHOTOGRAPHS
The school makes arrangements with professional photographers to take class, family, individual, and other group photos during the year. Purchase of these photos is optional.

PRE-PRIMARY
Our Pre-Primary program caters for children who turn five before June 30. If you are unsure when your child should start Pre-primary, please ask at the School Office. Children attend five full-day sessions per week.

We greatly appreciate the contributions parents make to the learning program and therefore we encourage parents to put their name/s on the parent help roster.

Parents are asked to include in their child’s bag:
- A lunchbox containing a healthy snack such as fruit, sandwiches, carrots, sultanas, cheese and yoghurt
- A clean set of clothes to change into if necessary

For reasons of safety and care, it is essential that siblings do not play on the equipment while Pre-primary children are being dropped off or collected. We also ask parents to stay with their children until the doors are opened and the staff assume responsibility.

Pre-primary children are encouraged to wear school uniform. This can be ordered from the uniform shop.

Our uniform has been developed through consultation with teachers, parents and students. Our uniform shop is operated by volunteers. Check with office staff as to when the Uniform Shop is open. The Uniform Shop also stocks a small number of second-hand items.

All articles of clothing should be clearly marked with the student’s name.
- Students are required to wear the Safety Bay school uniform in an appropriate manner.
- Students are required to wear Safety Bay Primary School hat or a royal/navy blue equivalent. Skate, surf hats or labelled hats are not appropriate.

- The following jewellery and accessories can be worn: for pierced ears, studs or sleepers, cloth or plastic school coloured headbands and a watch. All other jewellery and accessories should be saved for weekends. Jewellery that supports religious beliefs should be discussed and negotiated with your class teacher.

VOLUNTARY CONTRIBUTIONS
To assist with the running of school programs and to supplement the grant provided by the Department of Education, parents are asked to support the school by paying a voluntary contribution of $40 Kindy and $60 PP- Year 6 per student. Payments would be appreciated at the beginning of each year and may be made through the personal items list.

A time payment plan may be organised for families by contacting the Manager Corporate Services, Mrs Diana Tindale. The school has EFTPOS facilities available at the administration office and the option to directly transfer funds via the internet to the Safety Bay Primary School Bank Account (see ‘Monies sent or brought to school’).

Voluntary Contributions are used for purchasing resources to be used in the classroom and supplementary materials for art and craft, science and physical education.
WET WEATHER
When the weather is inclement, we suggest that children walking or riding to school either wear waterproof clothing over their uniform or bring a change of clothes. Children will be supervised in their classrooms at recess and lunch times if the weather is unsuitable for outside play.
