Principal's Word

Welcome back everyone to Term 2. Once again we are looking at a very busy term for teachers especially, with NAPLAN, reports, two School Development Days as well as the usual incursions and some excursions.

Welcome back everyone to Term 2. Once again we are looking at a very busy term for teachers especially, with NAPLAN, reports, two School Development Days as well as the usual incursions and some excursions.

You may have noticed I mentioned two SDDs. The Department of Education allows schools to

utilise their SDD when it best suits for professional learning opportunities to be accessed. Teachers have been trialling various strategies with Visible Learning. You may have seen in classrooms the letters WALT (What Are We Learning Today) and WILF (What Am I Looking For) that some teachers are incorporating into their lessons. As a school we are implementing a Visible Learning approach in every classroom across the school. It involves teachers seeing learning through the eyes of students and students seeing teaching as the key to their ongoing learning. When learning is visible the student knows what to do and how to do it and the teacher knows if learning is occurring or not.

The best time for this training is on Monday 19th June. This has been approved by the School Board. Therefore this will be a day NO students will attend school.

Staff Car Park

I gentle reminder requesting parents not to park in the staff car park. I have had to speak to several parents recently asking them to move and not to park in the staff area. I realise that there are no or limited spaces on some occasions, however we do have staff attending meetings and returning to school and some days there are more staff than spaces. I appreciate your support with this matter.

Wednesday Early Close

Thank you to parents and carers with your support in picking children up at 2.30pm on the Wednesday early close. I would ask parents on this day not to take up the teacher's time by discussing the progress or informing them of issues unless it is urgent. Teachers are expected in the library by 2.45pm for Professional Learning. If the matter is urgent please request to see one of the administration team who will put any necessary plans in place.

ANZAC Assembly

Our ANZAC assembly held last Monday was an outstanding success thanks to a number of new initiatives and performances. Our choir and Year 2 students provided quality performances and were very much appreciated. Ron Pease was our guest speaker and spoke about how our school values can be related to the spirit and the values demonstrated by the ANZAC's. Our prefects presented and spoke exceptionally well and are improving with every experience. I wish to make a special mention to Mrs Debra Batey our Defence School Transition Aide, who oversaw the organisation of the assembly. Mrs Batey also arranged for the Catafalque Party and Bugler. These certainly added value to the assembly.

Quote: "Live for the moment-enjoy every experience-be aware of what is happening around you!"

THE SOUND GARDEN AT SAFETY BAY & PARENT CAFE SPOT

Materials for The Sound Garden

We are starting to source some materials for building the instruments, and would be very grateful to accept donations from individuals or businesses that may have leftovers or offcuts to donate

THE SOUND GARDEN AT SAFETY BAY

Materials for The Sound Garden

We are starting to source some materials for building the instruments, and would be very grateful

to accept donations from individuals or businesses that may have leftovers or offcuts to donate.
The following materials will be of use:

- PVC pipe of larger diameters – 50mm to 90mm
- Steel tubing – 50/60mm square or round
- Hardwood timber lengths – Jarrah floorboards (not decking timber) and

2” x 4” lengths

- Exterior paints/ spray paints suitable for galvanised or PVC surfaces
- Aluminium tubing of different diameters
- Polyethylene pipe 50 – 80mm
- Steel cable, light weight
- Marine Ply Sheets

If you have any queries regarding materials or would like to be involved please email: Sally.Quealy@education.wa.edu.au

Many Thanks

Year 7 Enrolments for 2018

For students that live in the local intake area of Safety Bay Senior High School, enrolment packs for Year 7 2018 have been posted and should arrive in the mail next week

For students that live in the local intake area of Safety Bay Senior High School, enrolment packs for Year 7 2018 have been posted and should arrive in the mail next week. Please look out for this important information that needs to be completed and returned to Safety Bay Senior High School so that planning and a smooth transition can be achieved for your child.

If you have any queries in regards to your child's enrolment for Year 7 2018 or you do not receive an enrolment pack in the mail you should contact Safety Bay Senior High School on 9527 0200.

2017 RASSA Summer Carnival

Netball, soccer and ultimate frisbee were the interschool sports that a number of our Year 5 and 6 students had the opportunity to participate in on Friday 28th April.

Netball, soccer and ultimate frisbee were the interschool sports that a number of our Year 5 and 6 students had the opportunity to participate in on Friday 28th April.

It was our annual Summer Carnival, held a little later this year on a glorious Autumn day. Our netballer's travelled to the Mike Barnett Stadium, soccer players to Georgetown Reserve and the frisbee players to Warnbro Rec Centre. The other five schools in our division were: Charthouse; Rockingham Beach; Port Kennedy; Rockingham Lakes and Waikiki.

Once again, all of our participants were acknowledged by teachers and spectators at all carnivals as being extremely well behaved and demonstrating exemplary sportsmanship. The children themselves reported having a very enjoyable day regardless of their win / loss ratio!

The results were:

Netball "A" – Winners! – 1st

Netball "B" – 2nd

Soccer Boys & Girls – played with great enthusiasm, with some successful games.

Ultimate Frisbee "A" – 6th

Ultimate Frisbee "B" – 5th

Thanks must go to the staff that helped coach the teams leading up to and on the carnival day Mrs Johnsen, Mr McLaren and Mrs Aislabie. A big thank you also to Mrs Viv Blycha who gave up her day to coach one of the netball teams.

Thank you to the large number of parents who came along to support our teams on the day.

Mrs White
Physical Education Teacher

ANZAC Assembly

Safety Bay Primary School commemorated ANZAC Day with a special assembly on Monday 24th April.

Safety Bay Primary School commemorated ANZAC Day with a special assembly on Monday 24th April. Below are some of the photos taken at the assembly by our Year 6 student leaders.

Canteen Assistant Positions

The Safety Bay Primary School canteen needs two reliable, friendly, hardworking and patient team members to job-share during school days between 8.30am and 1.30pm.

The Safety Bay Primary School canteen needs two reliable, friendly, hardworking and patient team members to job-share during school days between 8.30am and 1.30pm.

Duties will include counter service, food preparation and cleaning.

A current Working with Children Check and Police Clearance are required, along with a sound knowledge of the Department of Education's Healthy Food and Drink policy and Food Safety training.

Previous canteen experience would be desirable but not essential.

Please send your resume and cover letter to sbpscanteen@outlook.com

Applications close 4.00pm Wednesday 17 May 2017.

Perth Symphony Orchestra

On Tuesday 2nd May we had a visit by a string quartet from the Perth Symphony Orchestra. We heard two violins, a viola and a cello played by superb musicians from the orchestra

On Tuesday 2nd May we had a visit by a string quartet from the Perth Symphony Orchestra. We heard two violins, a viola and a cello played by superb musicians from the orchestra. They played many short pieces and a huge range of musical styles including classical, world music, pop songs and theme music from popular movies.

The students enjoyed guessing the pieces of music they were playing, and hearing familiar music played on different instruments. Some students had a turn to come up and conduct the ensemble.

“Yesterday the string quartet from the Perth Symphony Orchestra came to our school to play their instruments for us. They played a variety of short pieces to entertain. They played classical and

theme songs from movies such as Jaws, Star Wars and Pirates of the Caribbean. They played music from all over the world such as Cherry Blossom from Japan and Waltzing Matilda from Australia. My favourite music was Pirates of the Caribbean.”

By Justin - Year 4.
